

The Riverside Junior Woman's Charity
has been an active organization
in the Village of Riverside since 1937.

We are proud to share that in the past five years RJWC has donated more than \$60,000 to multiple local, national and international charities.

Over the years, RJWC has supported Riverside by arranging for clothing and supply donations to local charities, providing the Village ice rink liner and organizing youth events, such as Truck Touch and Bike Rodeo. We actively care for community members through meals and outreach.

With focus on friendship and service, members remain loyal to the club. Juniors currently has over 35 active members, over 30 associate members (five - nine years of service) and more than 15 honorary members (ten or more years of distinguished service).

and for our community.

The Riverside Junior Woman's Charity is a philanthropic organization that provides charitable support to our community and surrounding areas.
